

## 1<sup>st</sup>-2<sup>nd</sup> Grade Performance Information Packet Spring 2024

"I am the Lorax. I speak for the trees." In this classic Dr. Seuss tale, actors will immerse themselves in a musical world of Truffula Trees, the Once-ler and taking small steps to do big things. In this adapted story that is timely, playful and hopeful, these young performers will sing, dance and tell the cautionary tale of what happens if we take our Earth for granted. This spring, join us for a musical adventure where our directors will be sure to feature all performers in a creative, supportive environment.

**This program runs from January to April and does not require an audition.**

You can register your actor by [clicking here](#).

**CAST SIZE:** Each cast will have a maximum of 25 performers. We are excited to announce that there will be a directing team of two this spring to enhance the rehearsal process and help engage all performers in a smaller director-to-actor ratio.
