PERFORMING ARTS CENTER

# PLAYBILL

MAIN STAGE PERFORMANCE | SPRING 2024

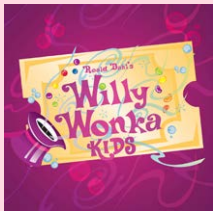

7th - 12th Grade Performance

## Welcome to Our Spring 2024 Performances...

"I am the Lorax. I speak for the trees." In this classic Dr. Seuss tale, actors will immerse themselves in a musical world of Truffula Trees, the Once-ler, and taking small steps to do big things.

In this adapted story that is timely, playful and hopeful, these young performers will sing, dance and tell the cautionary tale of what happens if we take our Earth for granted.

The scrumptious adventures of Willy Wonka's chocolate factory experienced by five lucky winners light up the stage in this singing and dancing adaptation of Roald Dahl's fantastical tale.

Performers will learn about character creation, choreography and being part of a musical ensemble as they dive into the mysterious world of Willy Wonka KIDS!

It's a "big bright beautiful world" as one notorious ogre seeks adventure to rid some classic fairytale misfits from his beloved swamp!

As Shrek joins forces with a lovable donkey to attempt to rescue a quirky princess, he finds friendship and acceptance along the way. This twisted fairy tale is an irreverently fun musical for our 5th and 6th graders!

What would you do if you had all of eternity? Winnie Foster yearns for adventure beyond her small town and finds more than she bargained for with the mystical Tuck family.

Torn between her current reality and a fantastical future, Winnie has to make a decision that will affect her forever. This whimsical musical with its sweeping storytelling will give actors the chance to create a tight-knit ensemble with unique characters all their own!

They say blood is thicker than water...but they don't know Joseph's brothers!

The epic story of treachery and redemption bursts onto the stage this spring as perpetual dreamer Joseph is forced to journey from his home to the wondrous land of Egypt, encountering a hilarious cast of characters along the way. A large powerhouse cast will bring some of Broadway's most iconic songs and dances to life in Wolf PAC's spin on this beloved musical spectacle!

Our Spring 2024  
Performance Season is  
Dedicated to

*Joel Braverman*

March 30, 1956 - January 9, 2024

Joel was first and foremost a loving father who always gave his daughters a standing ovation.

Joel believed in the mission of Wolf Performing Arts Center; he helped establish the foundation our non-profit is built on.

Joel was first and foremost a loving father who always gave his daughters a standing ovation. I remember the pride in his eyes while watching Molly manage all there was to manage backstage during Wolf PAC's early productions. I can still hear his laughter and applause for Sarah in her starring role in our first musical production of *You're a Good Man, Charlie Brown*.

Joel believed in the mission of Wolf Performing Arts Center; he helped establish the foundation our non-profit is built on. He advised as a lawyer, volunteered as a Board Member, encouraged his brilliant wife, Andrea, to not only serve on the Board but eventually become Board President. Joel applauded loudly in the audience and shined on stage.

Joel gave everyone a laugh and was able to laugh at himself while wearing a long black wig and gown in *Stefanie Hero* or a blue wig and bright red footie pjs in *Seussical the Musical!* He shared his more serious side when portraying a preacher in *Footloose* and his gentle side as the Storyteller in *Winnie the Pooh*.

*Joel is missed.  
May his memory be a blessing  
and live in our hearts forever.*

*~Bobbi Wolf*

*Dear Wolf Performing Arts Center Families,  
Friends, Supporters and Staff -*

As always, I start by thanking Wolf PAC's incredible staff, Board, families, volunteers, and our entire community. A non-profit is based on the people it serves and we have the best community ever!

Once again this spring season is filled with talented children and amazing adults and enthusiastic audiences. Because our spring season is dedicated to Joel Braverman, it has a very special meaning. Joel was a genuine character on and off stage - whether playing a prince or a preacher, he always shined on stage. As Board member, supporter, student and most of all friend, he shined off stage as well. I know the applause this spring will be for Joel as well as our talented children.

*With thanks and applause,  
Bobbi Wolf  
Founder*

# THANK YOU

FOR ALL OF YOUR LOVE & SUPPORT DURING OUR 19TH SEASON!

# Wolf PAC is proud to go paperless with our digital playbill.

*By going digital, we are offering more to our community and our environment by:*

## SAVING THREE TREES

Wolf PAC normally prints over 140,000 pages each season to make our playbills - this equals almost three trees! Wolf PAC is continuing our efforts to become more eco-friendly, and digital playbills help save our environment and reduce our carbon footprint.

## PUTTING MONEY BACK INTO OUR PERFORMANCES

Printing playbills can cost Wolf PAC over \$4,000 each season. By skipping the printing cost, it allows us to put that money back into our performances rather than to the printer.

## MAKING IT EASY TO SHARE

A printed playbill is only fun for the people in the theatre. A digital playbill can be shared with family and friends anywhere and anytime!

## CUSTOMIZING PLAYBILLS FOR EACH SHOW

Wolf PAC has so many amazing shows to feature! By going digital, it allows us the flexibility to customize the playbill for each individual production.

## HAVING MORE SPACE TO FEATURE YOU

A printed playbill can only have so many pages. By going digital, it allows us the space to give the attention every show, child, and advertisement deserves!

*Thank you for being part of our community and please enjoy the playbill!*

Continuing our efforts to help the  
environment & future generations...

## LAND ACKNOWLEDGMENT

The land on which we sit is the homeland of the Lenape people. We honor and respect the indigenous caretakers of this land and acknowledge the richness of their culture and identity. We commit to actively supporting and honoring those who cultivated this land and the heritage of the Lenape culture. We encourage you to learn more about the Lenape culture by visiting [lenape-nation.org](http://lenape-nation.org)

**Welcome to spring 2024 at Wolf Performing Arts Center!**

What an incredible moment in Wolf PAC time! Now in our 19th season, we continue to celebrate young people in theatre while growing, changing, adapting, and innovating every step of the way.

As we watch our bright, kind students express their individuality and authentic selves, we are also experiencing a growth in our programs. Our current building is quite truly overflowing with talented, eager students and their families who are excited to be a part of the Wolf PAC community. As we look to the future, we know that we will continue to expand our programming, which also means we need to expand our space. Whether we stay at home or move to a new location, we know that Wolf PAC's physical footprint will grow in the coming years so that we do not have to turn away any young person who wants to access Wolf PAC programming.

We will be looking to you, our loyal families, for support in each step of our journey and will keep you involved as this new chapter for Wolf PAC unfolds. This spring season is a perfect demonstration of these driven, talented young performers showing what the power of art, community, and expression can do. We know you will be as awed as we are watching them perform in these shows.

We are equally amazed every day by the incredible staff (over 75 of them) who worked tirelessly this year to educate and inspire our Wolf PAC students.

Thank you for being a part of our spring season and the Wolf PAC family!

*With endless thanks,*

A NOTE FROM OUR  
ASSOCIATE ARTISTIC DIRECTOR

*Janine Merolla*

Without realizing it, Wolf PAC has very much made this performance season about home. It must always be looming in the backs of our minds since Wolf PAC will outgrow its own home very soon. In our shows this season, our characters are either protecting their home or deciding whether or not to leave it behind.

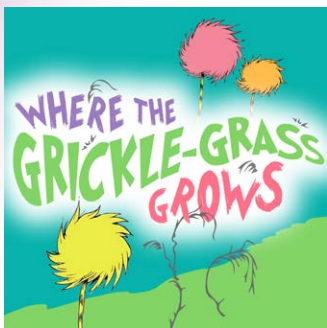

In *Where the Grickle-Grass Grows*, the famed Lorax tries to protect his land from pollution and other outside forces threatening those who live there. *Shrek* does the same for...well...himself...so that he can get his beloved swamp back, but finds his own home of outcasts along the way. Charlie leaves home to tour a grand chocolate factory and gets way more than he bargained for from the one and only *Willy Wonka*.

Our 7th-12th grade performances are no different-Winnie faces the ultimate choice of staying young forever or growing old as she figures out what matters to her most in *Tuck Everlasting*. *Joseph*, on the other hand, knows he's meant for bigger things and sets out to find them under unforeseen circumstances in *Joseph & the Technicolor Dreamcoat*.

Wolf PAC has been lucky to have been called a "second home" time and time again by our amazing community and we are so honored to carry that title. Whether you're finding Wolf PAC for the first time, returning after being away, or back for the umpteenth season, we are glad you're here and appreciate your love of the arts and theatre education. Thanks for joining us this spring!

# CONGRATULATIONS

this season a success!*
